Riverggins Puppy Questionnaire

Dear Prospective Owner,

Initially, may we ask you to complete this short questionnaire, so that we have some idea of your home situation and how a new Labrador may fit in with your family life.

We like to meet all our prospective puppy owners, to get a chance to have a chat and talk things through in person, but mostly to make sure you are the right fit for one of our puppies. It would also be a great opportunity for you to meet the parents, both owned by us, have a look around our facilities and meet any previous offspring.

Riverggins holds a 5 star breeding licence due to our high standards of breeding, whelping and rearing of our wonderful puppies. All our dogs are fully health tested which includes Hip & Elbow scored by the BVA, annual eye tests by a BVA approved specialist and DNA testing which covers EIC, HNPK, SD2, CNM, PRA, STGD & MCD. Ensuring your future puppy gets the best possible start in life.
